New traffic signal for Main Street?

Request is made for Orchard St.

One of Antioch's worst traffic congested corners may finally get a traffic signal.

The village trustees Monday night authorized Supt. of Public Works Walter Shepard to initiate an official request to the state department of transportation for signals on the corner of Orchard St. and Rte. 83 (Main St.).

Since Rte. 83 is a state highway a traffic signal cannot be installed without state approval.

THE VILLAGE IS cautiously optimistic that the state will approve the traffic signal at this time.

Two third-year community development block grant contracts were authorized for signing at Monday's meeting. One block grant is for \$45,800 to be used for the demolition or rehabilitation of the Willowdale Dairy. The other, in the amount of \$20,900, is for traffic signalization for emergency vehicles. In other words, the lights would automatically start flashing when the emergency vehicles are called for a fire or rescue situation.

'Best advertising idea' wins award for the News

The Antioch News last Friday was one of five Illinois weekly newspapers honored for "Best Advertising Idea." The awards were made at the annual Illinois Press Association convention in Decatur. The annual contest was judged by publishers of Kansas newspapers.

The Antioch News' advertisements selected were from the series called "The Little League Page," which runs in this newspaper every summer. Antioch News photographers/single out "faces in the crowd" at Little League games by using a telephoto lens. Those fans selected then receive prizes from advertisers sponsoring the page.

Similar pages are run in the Antioch News during football and basketball seasons.

LINDA WALKER, ADVERTISING manager of the newspaper, developed the idea and the artwork was done by another staff member, Sandy Herbst.

Other newspapers honored for "best advertising ideas" were the Kendall County Record, the St. Charles Chronicle, the Mendota Reporter and the Tuscola Review.

In the past three years the Antioch News also has received Illinois Press Association awards for general excellence and "best original column," the Pfarr Corner by Jerry Pfarr.

VIKING SCOREBOARD

Heavyweights

In their first home game, the Antioch Viking Heavyweights whipped Wauconda 26-0 for their second season victory.

The Viking offensive unit scored on the third play of the game on a handoff from quarterback Dean Berkiel to halfback Tano Marino, who ran up the middle to score.

On the Vikings' next possession Martino ran for his second touchdown behind the blocking of linemen Steve Pflueger and Ralph Buxton. The score was 14-0 at the half.

The third touchdown came on a quarterback keeper around the right end. Berkiel's score was set up by a 30 yard run by Pflueger. Scott Poulter's next run resulted in the Vikings' final touchdown.

Linemen Mike Whitehead, Jeff Pratt and Jon Olson contributed to offensive strength, while Poulter's three interceptions, and tough defensive line play by Dave Beattie, Keith Larsen and Scott Snarski held Wauconda scoreless, Antioch coaches said.

fumble recovery enabling Tom Haviland at quarterback to hand off to Bob Thain, who ran 20 yards for their first touchdown. Andy Lehn moved the offense by completing two passes, one to Joe Emmerich and the other to Dave Walsh.

Quarterback Haviland made an important pass interception, preventing Wauconda from moving the ball downfield.

With 40 seconds left in the game, the ball was handed off to Thain, who ran 28 yards for his second touchdown, making the final score 12-0.

Raiders beat Buccaneers

Coach Roy Haase realigned his team this past week and it paid off with a win.

The Raiders met the Buccaneers on their home field, winning 13-0.

Scoring started with a reverse hand-off to Gus Mancuso who scampered 35 yards for the touchdown.

The second score came late in the game with only 35 seconds left. Lester Zitkus ran around end and made a 60 yard T.D. run.

Defensive standouts were Steve Haase on the line and Dave Hanson at

Lightweights

The Antioch Lightweights crushed Wauconda 12-0 Sunday with outstanding offensive blocking by Brett Palmer, Derek Olsen and Kris Vogt.

The defense was super in holding Wauconda scoreless, coaches said. Outstanding defensive players were Matt Stevens, Brett Palmer, Dave Walsh, Andy Lehn and Gregg Pahlke, according to their coaches.

Pahlke broke up an attempted pass play. Matt Stevens made a crucial

Praises school board for its action

Dear Sir:

As a parent and taxpayer of School District 34, I would like to express my gratitude to the school board.

We have seen articles condemning the school board for their recent decision to pay the Superintendent, Mr. Meyer, \$60,000 and reducing his contract to a one year term.

We think the public should be aware that of the present members that are on the board that served on the past board, all voted against renewing his contract but one member.

Recently at a board meeting one former member stated that the board had no reason other than a personality conflict for not renewing his contract. That person is the one that voted to renew his contract for three years (without any intentions of seeking re-election). Therefore, it was that person and a few of the past board members that are costing our district the money.

We should be grateful that the board cares enough about the education of our children and had the guts to do something that should have been done long ago.

Says board leaves questions unanswered

Dear Editor:

The recent dismissal of the superintendent of Antioch Grade School District 34 by the board leaves many questions unanswered:

In the April election, at which four of the present seven members of the school board were elected, all four stated they knew of no reason why they could

not work with Superintendent Meyer.

Four months' later, an about-face seems to have taken place. When an accounting is requested from those elected, the response has been, "Incompatibility" or "NO COMMENT."

While running for the office, all four stated that there must be better communication between the public and the school board. All four pledged, if elected, they would do their best to bring this about.

SINCE THE ELECTION in April, to the end of August, 18 meetings were deemed necessary by this same board. Most of this meeting time was spent behind closed doors. The explanation to the public as to why this was necessary - "NO COMMENT."

The board has stated that the district does not have the finances available to adequately staff the school. This is unfair to the children who are not receiving the all-around education they deserve.

At the same time, they seem to find enough extra money to buy out the superintendent's contract. Again, when asked for an accounting pertaining to this, the answer is, "NO COMMENT."

IF THE BOARD and superintendent are not compatible, and this is the only reason for his dismissal - why doesn't the board resign? This would put needed funds back where they belong - to the EDUCATION of our children.

It is time for the people of School District 34 to band together, and obtain the full accounting that they are entitled to. We deserve answers to our queries, and not "NO COMMENT."

More than 11,000 students are enrolled at the College of Lake County, an increase of 14 percent over enrollment last year at this time.

The number of students is 11,060 as compared with 9,684 in the fall of 1976.

Curtis Denny, director of admission and records, said:

"The number of students enrolled in general studies programs has increased 39 percent from 687 last year to a current 957. General studies courses offer a less demanding program of educational development, the goal of which may be personal improvement, basic or vocational skills, in-service education or academic remediation."

Career and transfer programs increased 9 and 7 percent respectively.

cruelest forms of discrimination — discrimination based on age. Current law permits dismissal of both public and private employees at age 65. Mandatory and arbitrary termination of employment has been a pattern in both the public and private sectors in this country for almost 40 years.

Now, under the leadership of Rep. Claude Pepper of Florida, chairman of the House committee on aging, mandatory retirement at 65 will be extended to age 70 in private employment and the upper age limit for federal employees will be eliminated entirely.

Testimony from such oldsters as Colonel Sanders, age 86, originator of Kentucky Fried Chicken; Arthur Fiedler, age 82, Bob Hope, John Wayne, Margaret Mead, Lowell Thomas and others who are all in their 70s, established that they are all pursuing active careers. Their examples were most persuasive with the committees of the Congress.

John Chapman's new heating system pulls energy out of thin air.

John Chapman of Woodridge is one of the homeowners in northern Illinois who recently installed a heat pump. How'd he like it? "It's just been great—one unit that both heats and cools. It really does the job," says John.

How the heat pump works.

Most heating systems heat by burning fossil fuels, like natural gas or oil. The heat pump is different. It doesn't burn anything. It uses electricity to move heat from one place to the other—heat that already exists. Where? In the air around us. Even on cold, cloudy days, there's an abundance of heat in the air—solar heat energy that the heat pump captures and moves indoors.

In warm weather, the process automatically reverses for cooling. The heat pump captures excess indoor heat and humidity and removes them to the outside.

The Remarkable Electric Heat Pump.

Better efficiency.

Today the heat pump is the best alternative to heating systems which consume scarce fossil fuels. It taps an energy supply that's virtually limitless—heat energy from the sun contained in the air around us. And it is the most practical system to capture solar energy efficiently.

In northern Illinois the heat pump, based on average performance for a heating season, can deliver more than 1-1/2 units of heat energy for every unit it consumes. This means the heat pump not only saves energy, it can also generate long-term operating cost savings.

If you want additional heat pump information, call your local Commonwealth Edison office and talk to one of our marketing engineers.

To get the full advantages of the heat pump, it's important to get a quality product, properly installed and serviced. For the name of qualified installers in your area, call G.W. Berkheimer Co. Entry blanks are now available in area schools, at the Antioch Village Hall, State Bank of Antioch, The Shoe Box and Four Squires.

The annual Bike-A-Thon event will be taking place on fourteen separate routes throughout Lake County. The seven-mile Antioch route will start at the fire station and proceed west on Orchard Street to David Street, then south to Lake Street, west to Tiffany Road, north to North Avenue, south to Little Silver Lake Road and west to the fire station starting point.

Participants in the Bike-A-Thon may begin their ride only from the first checkpoint of the fire station starting at 9 a.m. Other checkpoints on the route are the Antioch Evangelical Free Church on Tiffany Road and the Atwood residence on Deep Lake Road, south of North Avenue.

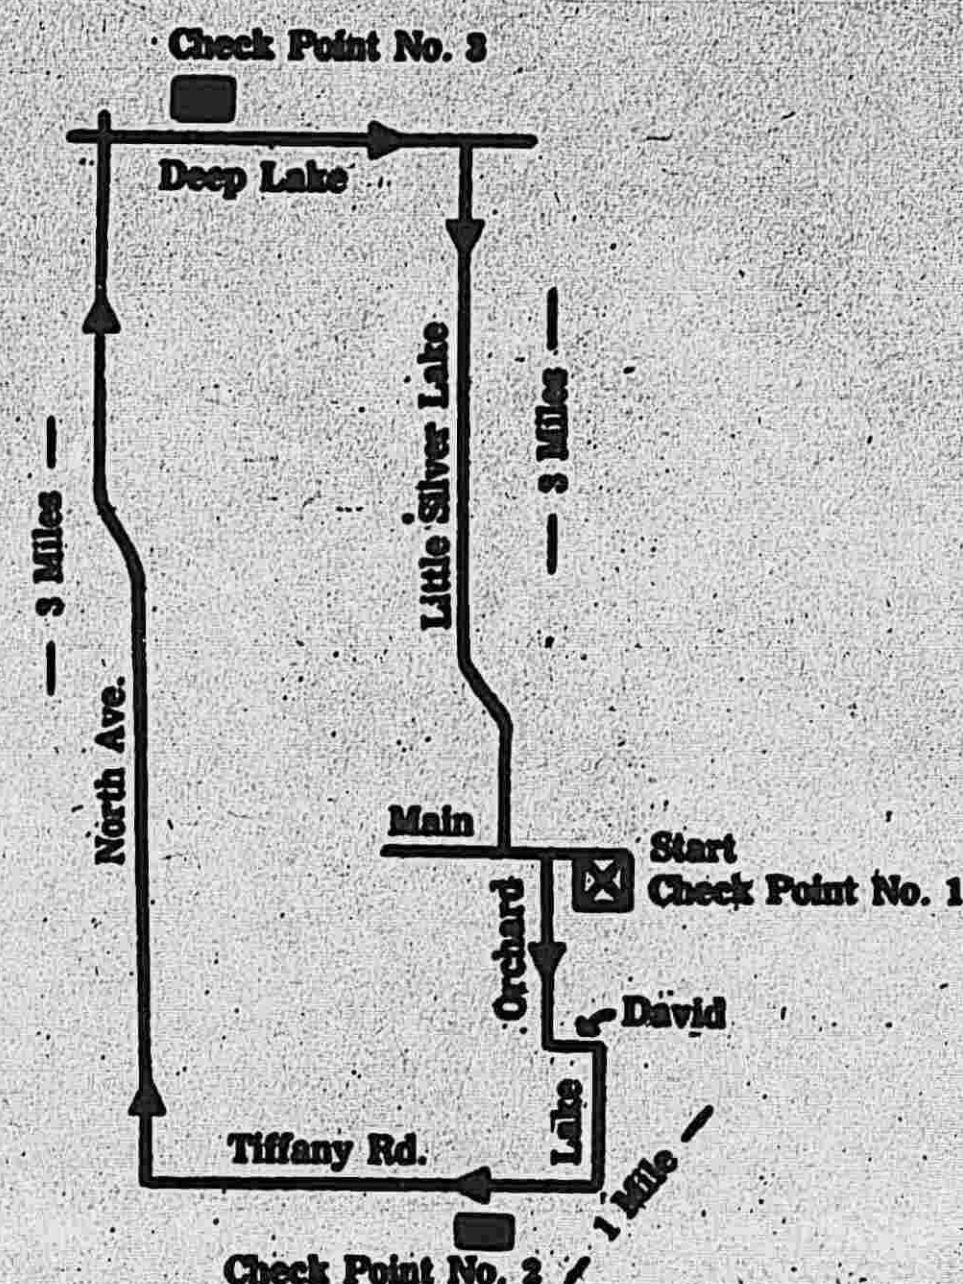

Riders are encouraged to ride the Antioch route as many times as they are able, but no one can pass through "checkpoint one" at the fire department after 3 p.m.

Anyone who wishes to participate should obtain as many sponsors as possible prior to the date of the ride. Parents, teachers, friends, relatives, neighbors, merchants and businesses are good sources. They can be asked to sponsor riders for each mile they ride. For instance, a good starting pledge would be a dime a mile, and many sponsors in the past have paid more per mile.

Riders may carry a small passenger during the ride and sponsors for the little one can also be obtained.

PRIZE-WINNING TOP RIDERS in the 1976 Bike-A-Thon event were: Butch Zannini, first prize with a total of \$365; Mark Maglio, second prize with \$282; Billy Paschke, third prize with \$175.

"This event attracts riders of all ages" said chairman Reckers, and we have always been fortunate to have the total cooperation of the community including interested

citizens, members of the fire department, police department and Antioch Jaycees. If you're planning to take a Sunday ride on October 2nd, says Reckers, we welcome one and all to make it a cycling event for the benefit of cancer research."

Wisconsin enforcing liquor laws: report

The word came during the weekend from our friend Russ Olson, Wisconsin assemblyman from Bassett, that "liquor laws are being enforced."

"Wisconsin residents who shop in Illinois should be aware that it's illegal to carry liquor across the state line and that agents of the Wisconsin Department of Revenue are enforcing the law by spot checking highways crossing the state line near Illinois shopping areas," Rep. Olson said.

Financial loss for offenders can be significant, he added. Those found in possession of liquor without the Wisconsin tax stamp face automatic confiscation of the product and, in addition, can be charged by the district attorney and fined \$25 to \$500, and/or up to 90 days in jail.

"Ignorance of the law is no defense," Rep. Olson said. "Confiscated liquor in most cases is turned over to a veterans home and in some cases is sold to Wisconsin distributors who purchase the Wisconsin tax stamps."

Liquor sold in Illinois is sometimes cheaper because the tax in Wisconsin is \$2.60 per gallon and in Illinois it's \$2, plus the fact Wisconsin has a minimum markup law of 6 percent on retail sales of alcoholic beverages and Illinois

has none.

One half gallon containers are legal in Illinois and illegal in Wisconsin, but 1 1/4 liter (approximately 1/2 gallon) are legal in Wisconsin. After 1980 all containers will be by metric measurement.

It's unfortunate that Wisconsin residents must be deprived of the convenience of shopping in Illinois, but the Department of Revenue maintains the law must be enforced and there is no logical or legal way to exempt those living near the state line.

PRETTY GIRLS IN SARONGS? Antioch had them last Saturday during the luau at the Moose Lodge. The lucky guy with all the gals was Dave Zickus, the lodge's

to be built on the west side of Rte. 59 between Beach Grove and Grass Lake roads, is within 1½ miles of the village limits. Therefore, the village must approve the plat of dedication.

In separate action, the trustees accepted the developer's letter donating \$10,000 to the village for parks when the 15th lot in the subdivision is sold.

The developer, Don Pittman, had already agreed to make donations to the school districts affected by the development - Antioch High school and Emmons Grade school.

Mayor Michael J. Haley announced that Dr. William Petty donated a 1929 vehicle tag to the village, which Antioch will give to the local historical society.

Mayor Haley said that in 1923 and 1924 the cost for a vehicle tag was \$8 for cars over 35 horsepower and \$5 for cars under 35 horsepower. In 1977 vehicle stickers only cost \$6.

RUMORS ABOUT THE Burger King company building a restaurant in Antioch were silenced a bit Monday when Village Clerk Marilyn J. Sterbenz said she received a request from Burger King to return their escrow account because the owners said "they are in litigation." It was understood that a Burger King franchise would be built on Rte. 173, just east of Smiley's tavern.

THE VILLAGE BOARD also waived the sign fee for the Mental Health Association Thrift Shop on Main St.

The board accepted a committee recommendation to amend a resolution adopting a fire department regulation by the addition of two paragraphs. One gives the fire chief, Tod Mapletorpe, the authority to establish an active reserve; the other gives the chief the authority to appoint technical personnel to be part of his staff without being active members of the department.

Bible Facts

Although many people sometimes feel guilty, few express their feelings as well as Psalm 32: "When I kept silence, my bones waxed old through my roaring all the day long."

How are we to find relief from the burden of guilt? Psalm 32 suggests this answer: "I said, I will confess my transgressions unto the Lord, and Thou forgavest the iniquity of my sin."

Our area was saddened to hear of the death of former area resident Louis Rogers on Sept. 1, in Venice, Fla. Louis and his wife Anne were life long residents until a few years ago when they retired to Florida and have many relatives and friends in our community.

The Gutowski family spent the Labor Day weekend in Kankakee, Illinois attending the Power Boat Races. Joe was the referee for the two day event while this reporter acted as chief scorer. Also attending were former resident Jinx Portalski and his fiancé Kathy Olson of Janesville, Wis.

Congratulations to Jennifer Bellucci on her fine showing in the Miss Teenage America Contest. Jenny is the daughter of Dr. and Mrs. John Bellucci and the granddaughter of Mrs. Minerva Bellucci, who formerly owned Aunt Mins Restaurant.

Congratulations to newlyweds Mr. and Mrs. Mark Kettner. The bride is the former Judith Vendl of Prospect Ave. and the daughter of Chuck and Eleanor Vendl. The couple was married in Waukegan on Sept. 10th at the Faith United Church and were attended by Julie Gutowski and Chuck Franke of Round Lake.

The happy couple was feted to a reception at the bride's parents home after the 2 o'clock ceremony and will make their home in southern Wisconsin after October 1.

Speaking of the Vendl family, Judy's brother Dean had the honor of being a member of the orchestra that played in the movie "The Wedding" which was filmed in Lake Bluff all summer.

Mike and Mary Jo Zeien and children spent the September 10th weekend in Cascade, Iowa, visiting former residents Rich and Kathy Behrens and family.

YOU WOULD BE SURPRISED at how many people are interested in a recipe for cleaning soot from fireplaces. Luckily, our friend, Karen Palka, has a good one. It follows:

"Make a soft soap by adding 1 quart hot water to 4 ounces of yellow laundry soap and heat the mixture until the soap has dissolved completely. When the mixture has cooled, add ½ pound powdered pumice and ½ cup household ammonia. Mix well. After brushing off as much of the soot as possible, apply a coating of the mixture to the stone with a clean brush. Let it remain about 30

minutes, then scrub it off with a stiff brush and warm water. Rinse thoroughly with warm water."

"I used this for an old ceramic floor in a bathroom years ago and it really worked out well," said Karen. "I brushed it on with a paint brush. Enjoyed your paper last week." Thanks, Karen.

Mrs. Esther Aiani, president of the Antioch area chapter of the American Association of Retired Persons, attended a regional conference of the national organization in Cincinnati last week. She was accompanied by members John Wenclawski and his wife Anne.

They were among more than 1,200 older persons from throughout the Midwest who attended. It was part of a nationwide campaign to end all forms of age discrimination in the United States. AARP and NRTA (National Retired Teachers Association) have led the fight in Congress, state legislatures and the courts to outlaw mandatory retirement and discrimination in credit, housing and other areas.

The theme of the meeting was "Count us in!"

Waukegan Speedway closes with a bang!

The final night of the 1977 racing season at Waukegan Speedway was full of action and excitement. Dennis Roslansky won the sportsman 25-lap feature and Larry Cash won the hobby feature.

The sportsman feature started off with a spectacular

first turn accident involving five cars. Although there was considerable damage to vehicles, no driver was injured. Mike Simon was the only car unable to make the restart, although, Rich Bielfuss' Maverick had extensive driver's side damage and he did make the restart.

Roslansky was not to be denied and he picked up his first feature win of the season. Rounding out the top five were track champion Don Collins, Dixon, Bart Rieman and Bielfuss.

A number of special races were held.

Jan Lindholm won the powder puff and the first annual employee race was won by assistant starter Paul Nareth when starter Gordy Sill Jr. spun out while leading.

Waukegan Speedway will open in early April for the 1978 season.

Oct. 9 new date for Punt, Pass and Kick

Registrations for the 1977 Punt, Pass & Kick competition sponsored locally by the Lyons-Ryan Ford-Mercury Co. of Antioch, continue to roll in.

The contest is open to any youngster 8 through 13 years of age.

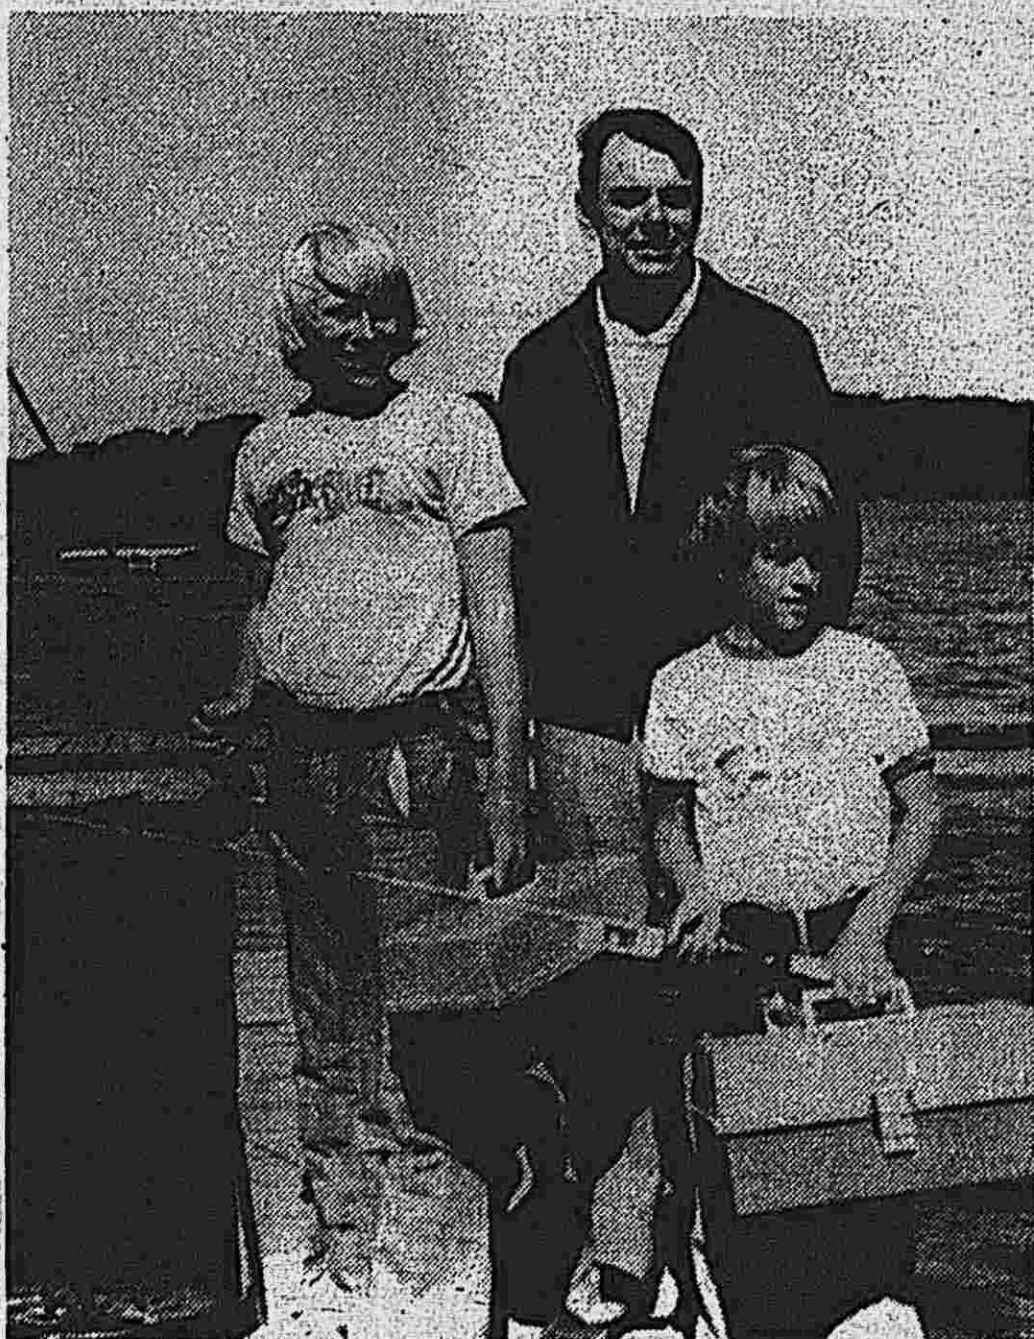

The date has been changed to 2:30 p.m. on Sunday, Oct. 9. Originally, it was set for Oct. 2.

Any youngster meeting the age requirements who can punt, pass and kick a football - or who'd like to try - can compete. Participants compete only against others their own age, and there is no body contact.

No special equipment is needed and participation does not impair a youngster's amateur standing.

Each youngster will compete at the high school field in three categories - punting, passing and kicking. Judges will score one point for each foot the ball travels on the fly, minus one point for each foot the ball lands to the right or left of the center tape.

Youngsters, accompanied by a parent or guardian, can register for PP&K at the local Ford dealer. There is no entrance fee.

CHAMBER OF COMMERCE president Richard Kirkpatrick posed with winners of the first annual Lake Antioch children's fishing derby, held in recent weeks. At left is Charlie Davis, who caught the largest fish in the group for fishers 12 to 14 years of age. At the right is Bart Behling, catcher of the largest fish for youngsters 8 to 11 years of age.

Cross-country runner finds sport exciting

By JENNIFER BIEL

The last three meets proved to me that cross-country is as exciting as any other sport.

The Antioch-high school meets took place on Sept. 10, 15 and 17. The first one was probably the most exciting. The team started a winning streak when the girls came in 5th out of 9. Finishing 5th was Carrie Corso and 19th was Cindy Irmén. Diane Otten came in 25th and Nancy Harland 40th.

Other girls running were Donna Lovelace, Sally Nelson, Jan Okresik and Tracy Curtis. The freshman boys came in with Bob Otten 24th and Mike Wilms not far behind.

Our sophomores didn't do as well because of a lack of competitors but Jon Gibson and Dave Waters were in there fighting to the finish. The varsity team came on strong with Jim Eilers 40th and Matt Firestone 71st, followed closely by Zane Rogers in 77th place. Others runners were Edison Sankey, Chuck Rogers, Tom Nedved, Dan Reban, Rob Silvola and Kevin Sheppard.

THE MEET on Sept. 15 against Jacobs and Crown was also a glorious day for the team. We lost to Crown but beat Jacobs, which is in our conference. In the varsity race Jim Eilers came home in 2nd place. Sophomores didn't have as much luck but tried their best. The girls whipped everyone with 1st, 2nd, 3rd and 4th places.

The Sept. 17 meet was very wet and muggy. This was at Lakewood Forest Preserve for the Wauconda Invitational, however, the races were run despite the weather. There were four races - open, girls, frosh-soph and varsity. Results for Antioch:

Open race - Jim Collis 6th, Bob Silvola 12th, Chuck Rogers 16th, Tom Nedved 18th, Dan Reban 29th and Kevin Sheppard 40th.

WINNERS ALL! -- Members of the Lake Antioch Improvement Association posed on the pier with youngsters who won prizes in this summer's Lake Antioch children's fishing derby. From left: Ted Sokulski,

Karen Hoff, Amy Hoff, Dick Kirkpatrick, Kelly Corey, Anne Weber, Beverly Kramer, Brad Weber, Jeff Sokulski, Joseph Bronder, Carl Fischer Jr., Todd Stolarick, Tom Domek and Brad Poulter.

Soph pigskin rally overhauls Grant

Antioch's sophomore football team matured in great strides last Friday evening at Fox Lake.

The Sequoits played and defeated 20-8 a tough Grant Bulldog team that had already notched a shut-out the previous weekend.

The game had everything that a typical Antioch-Grant match-up could expect: hard hitting, surprise plays and great spirit by both teams.

A blocked punt led to an 8-0 first-quarter Grant lead. The second quarter began with Antioch quarterback Jim Sertic throwing a 44 yard touchdown strike to Dan Behne.

The Sequoits then saw their 2 point P.A.T. attempt fall short.

Antioch's fired-up defensive unit then forced Grant to punt. During the following series, Denis Flaschner scampered 72 yards with a Jim Sertic pass that gave the Sequoits a lead they were never to relinquish.

In the third quarter, a Tim Plett fumble recovery gave Antioch possession on the Bulldog 19 yard line. Four plays later Flaschner added an insurance score that sealed the Antioch 20-8 victory.

Offensively, the Sequoits again showed balance with seven individuals contributing to the ground game.

Tim Webb, Greg Stevens, Mitch Case, Dan Verkeyn, Mike Fox, Flaschner and Sertic were all credited with good offensive performances.

Tom Tudor, Jim Mancuso and Dan Behne were cited by

coaches for strong performances at the receiver posts.

"The continued fine offensive line blocking of Jim Davis, Ken Nieze, Ron Nauman, Chuck Bogaerts, Brian Beal and John Eckert allowed the Sequoits to move the football," Coach Steve Wapon said.

The defensive scoring for Antioch included the following leaders: Dan Behne - 21, Brian Beal - 14, Jeff Crichton - 13, Tim Plett - 10, Bruce Mitchell - 9½ and Chuck Bogaerts 8.

Defensive coordinator, Coach Steve Scott, was pleased with the defensive effort that allowed Grant a total of 26 yards rushing and 104 yards through the air during the entire game.

Saturday the sophomore Sequoits will put their 2-0 record on the line in a battle for first-place in the North Division. The Warren Blue Devils, currently undefeated, will visit Antioch for a 12 noon battle that could have a lot to say about the eventual conference championship.

Concerning the Warren game, Coach Wapon felt that "...our team is really looking forward to the rematch with Warren. We haven't forgotten the 32-6 beating the Blue Devils gave this team as freshmen last year. It should be a tremendous football game!"

Frosh-Soph - Jon Gibson 59th, Dave Mohar 61st. Varsity (7th place out of 17 schools) - Jim Eller 12th, Roger Plechaty 28th, Zane Rogers 41st, Jim Gamber 44th, Bob Otten 51st and Edison Sankey 58th.

Girls (2nd place out of 9) - Cindy Irmén 3rd, Carrie Corso 4th, Diane Otten 12th, Nancy Harland 14th, Beth Pilkington 30th and Tracy Curtis 31st.

Coach Ken Kasubowski's teams are really making their mark.

Upper Grade softball team plays Thursday

The Antioch Upper Grade fastpitch softball team will play Gavin (of Fox Lake) Thursday.

Gavin has traditionally been one of the toughest teams in the grade school conference. Game time is 4 p.m. at the Upper Grade field.

Coaches William Anderson and Wayne Ochwat, of Antioch have built one of their strongest teams to date.

In past years the teams have finished 3rd, 2nd, and tied for first.

Forty-six boys tried out for the 1977 team and 12 were returning veterans from last year's conference champs.

Pitching is the key in fastpitching softball and the coaches say the team has five exceptional candidates: Mike Pinkham, Gordy Nasenbeny, Tom Bailey, Alan Ware and Brad Herbst.

In addition, coaches say the following boys have the best chance of making the starting nine: Mark Harold, Tom Hibbard, Rich Schlarbaum, Hank Woolard, Bob Gatti, Frank Petykowski and Mark DeMerritt.

Marszalek's 142 wins Antioch Open

Chris Marszalek says he will be back to defend his Antioch Open golf championship next year ... providing he isn't busy on the professional tour.

The 23-year-old unattached pro, who lives on Lake St. in Antioch, coasted to a 12-stroke victory in the second annual Antioch News tournament held at Spring Valley Country Club.

He had a four-over-par 74 in the final round after blazing to a 68 on the first Sunday.

MARSZALEK'S VICTORY was worth a large trophy and a \$50 gift certificate at the Spring Valley pro shop. A total of nine trophies and \$375 in gift certificates were given to the top players in the 68-man field, which includes championship players, a Class A flight for those who shoot in the 80s and a Class B flight for those who normally shoot 90 and over.

Marszalek's win was made easier when his top competitors failed to get hot.

Rod Winn, the talented amateur who owns the Stage Stop restaurant in Wilmet, finished second with rounds of 78 and 76. Winn normally shoots in the low 70s, as does pro Nick Marucci, who was third with rounds of 80 and 77.

RICH HIGGINS WAS FOURTH after shooting a 78 Sunday. He would have had a 76 and tied Marucci for third, but Higgins accidentally hit Marucci's ball instead of his own on the 12th fairway. That cost him a two stroke penalty. (Higgins was second last year when John Roach won.)

OWNER JOHN WAGNER had his par-70 Spring Valley course in excellent shape for the tournament and the plush fairways gave the golfers little roll. So all of the 6,434 yards came into play.

The tight, 560-yard fourth hole was birdied only by Winn on Sunday. And only Wagner, Randy Mackey, Al Atkins, Bob Sarver, Bill Collins, Ray Parpan, Bernie Olszewski and Tim Haviland were able to par it.

Marszalek got a double bogey seven on the monster, tangling with the trees on the right and then three-putting the green. He also double bogied the 190-yard seventh when he drove over the green into water. On the eighth and ninth holes, Marszalek missed four-foot putts for birdies so he settled for a 39 on the tougher front side.

But he came back with an even-par 35 on the back nine, getting a birdie on No. 10 with a four-foot putt and a birdie on No. 12 when he chipped his third shot to within two inches of the cup.

For the second straight week he drove the 260-yard 14th hole with a 3-wood only to three putt the green.

"The course was in real good shape," Marszalek said. "The greens held and I chipped and putted well, except for missing a few four-footers."

He hit about 13 of the 18 greens in regulation in each of his rounds.

WINN WAS ON HIS WAY to a 72 Sunday until he bogied the final four holes.

After his disturbing double bogey on the 12th, Higgins played the last six holes in one under par.

Marszalek will try for his Professional Golfers Association (PGA) card on Sept. 28-29 when he plays in a sectional qualifying tournament near Chicago. He qualifies for the U.S. Open with scores of 75 and 69 on the tough Plum Tree course in Harvard, Ill., then shot 73 and 78 at Tulsa to miss the 36-hole U.S. Open cut by only four strokes.

THE TOP THREE FINISHERS in the championship flight of the Antioch Open golf tournament were (from left) Rod Winn, Chris Marszalek and Nick Marucci. Marszalek, who played in the U.S. Open in

Tulsa, Okla., earlier this year, placed first. Winn, one of Kenosha County's best amateur players, was second and Marucci, pro at Antioch Country Club, won the third place trophy.

Korjenek tops Class A

A Lindenhurst golfer who averages 82 put together rounds of 78 and 77 at Spring Valley Country Club the last two Sundays to win the Class A flight in the second annual Antioch Open.

Dennis Korjenek Sr.

Dennis Korjenek Sr. broke the 36-hole Class A record of 163 set last year by Charlie Anderson and Vern Thelen.

Korjenek, 47, trailed Bob Sarver by three strokes going into this week's final round. After five holes Sarver had increased his lead to five strokes, but Korjenek made up four of them when he birdied the 220-yard fifth hole with a 3-wood and 15-foot downhill putt. Sarver meanwhile was taking a six on the difficult hole.

KORJENEK KEPT PULLING away and eventually won by six strokes over Bill Collins, who finished at 161 this year after placing fourth last year with a total of 170.

Sarver tied for third with Tim Osmond at 163 and the two embarked on a playoff that lasted six holes. Sarver won with a par on the 420-yard sixth.

They both bogied the first hole, parred the second and third, bogied the fourth and parred the fifth.

Korjenek had nines of 38 and 39 en route to his 77. He might have shot a 75 but barely missed birdie attempts on the 15th and 18th holes.

The winner got off to a bad start on each nine, taking double bogey 6's on the first and 10th holes. On the other 16 holes he was only three over par.

IN THE RECENT State Bank of Antioch youth tennis tournament three of Korjenek's sons won championships: Dennis Jr. in the class for boys 16 and 17 years of age; Roger, in the 14-15 age group, and Don in the 8-10 age group. Dennis Jr. also played in the Antioch Open and made a good showing in Class A, won by his dad.

The Class A championship was still a battle after 11 holes of the second round. Dennis Korjenek Sr. had 126 strokes at that point and Collins was only two behind at 128. But Korjenek parred the next four holes to increase his lead to four shots.

Haviland is Class B champ

Two up-and-coming golfers, Tim Haviland, 16, and Jon M. Lasco, 20, made a two-player duel of the crowded Class B flight in the second annual Antioch Open championship.

Haviland shot rounds of 87 and 83 to win the title with a total of 170. Lasco, playing with Haviland in Sunday's final round, had his second straight 86 to finish second at 172, the same score with which Bill Effinger of Lake Villa won Class B last year. Effinger didn't play this time.

Haviland, an Antioch High School wrestler who is 5-foot-4 and weighs 112 pounds, whacks his drives between 220 and 230 yards. Lasco had nothing but praise for his opponent's steady play.

HAVILAND TOOK a four-stroke lead when he shot the front nine in 41 Sunday. Lasco made a gallant charge, shooting a 40 on the back nine but Haviland held on to win with a 42.

A good battle also developed for the third place trophy and Chuck Cermak won it by shooting a 42 on the final nine for an 87 and a 179 total. Bob Knourek had 180 and Dennis McInerney 182.

Cermak, Knourek and McInerney were tied for third after 27 holes since each had averaged 45.67 on their first three nines. But their respective scores on the final nine,

42, 43 and 45, decided their order of finish.

Cermak trailed Knourek by two shots until he parred the 17th and 18th holes with a 3 and a 4.

HAVILAND AND LASCO were playing with Ron Chilcote, another of the leaders. On the 130-yard third hole, Lasco and Chilcote rolled in birdie twos and Haviland had a par three.

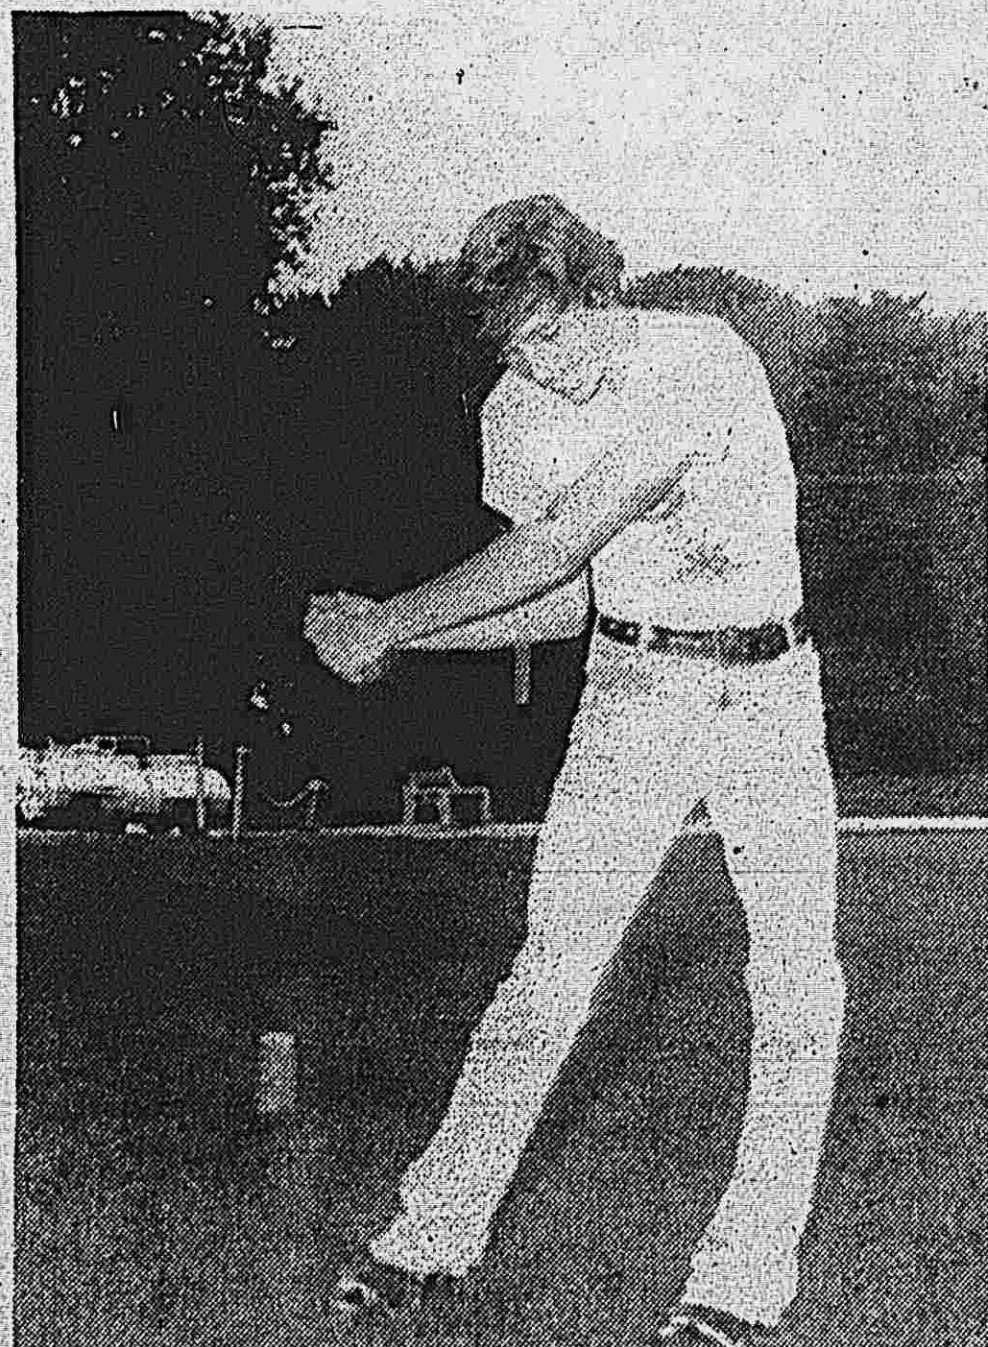

One of the turning points for Haviland came on the 387-yard 13th hole. After his drive, he hit an iron to the right of the green. His chip shot was 15 feet short, but he knocked in the putt for a par to boost his lead over Lasco to seven strokes.

On the remaining five holes Lasco charged and gained five shots but fell two short.

"The 16th and 17th holes almost did me in," said Haviland. He three-putted for double bogies on both holes.

"Except for that he was consistent," Lasco said. "Tim's drives were well-placed and he did some good chipping and putting. On the tough par-3 fifth hole he rolled in a 15-footer for a par."

Lasco's downfall was an 8-6 start, which put him five over par after two holes. After that his scoreboard showed one 2 and four 3's.

Sequoits aim to give Warren a battle

LOST FOR THE SEASON - Antioch High's starting quarterback, Brian Andrews, suffered a shoulder separation in last week's game against Grant and will miss the rest of the football season. Coaches, however, expect Andrews to be ready for his senior year of basketball.

BOWLING

ANTIOCH BOWL has begun a youth major league on Sunday mornings.

"We will be bowling at 10 in the morning, and have bowled one week," said Lois Hartman. "We still need bowlers. If you are interested, sign up at Antioch Lanes or call me at (414) 889-4165.

The ages for majors is

16-18; however anyone in high school is welcomed to join.

Antioch High's football team has only one way to go ... UP.

The Sequoits are off to a disappointing start, having lost 34-6 to Dundee and 20-0 at Grant.

They also have lost their starting quarterback, Brian Andrews, who suffered a shoulder separation early in last week's game against Grant's Bulldogs at Fox Lake.

Senior Tom Dixon and junior Rob Nauman will be replacing Andrews at 2 p.m. Saturday when the Sequoits take on one of the conference favorites, Warren's Blue Devils.

WARREN IS OFF to a good start, having beaten Cary-Grove 24-14 and Round Lake 34-12.

The Blue Devils have displayed a tough defensive line and a couple of talented runners in Mark Fugett and Tom Schnurr.

Warren enjoyed an 8-1 record last year but that doesn't

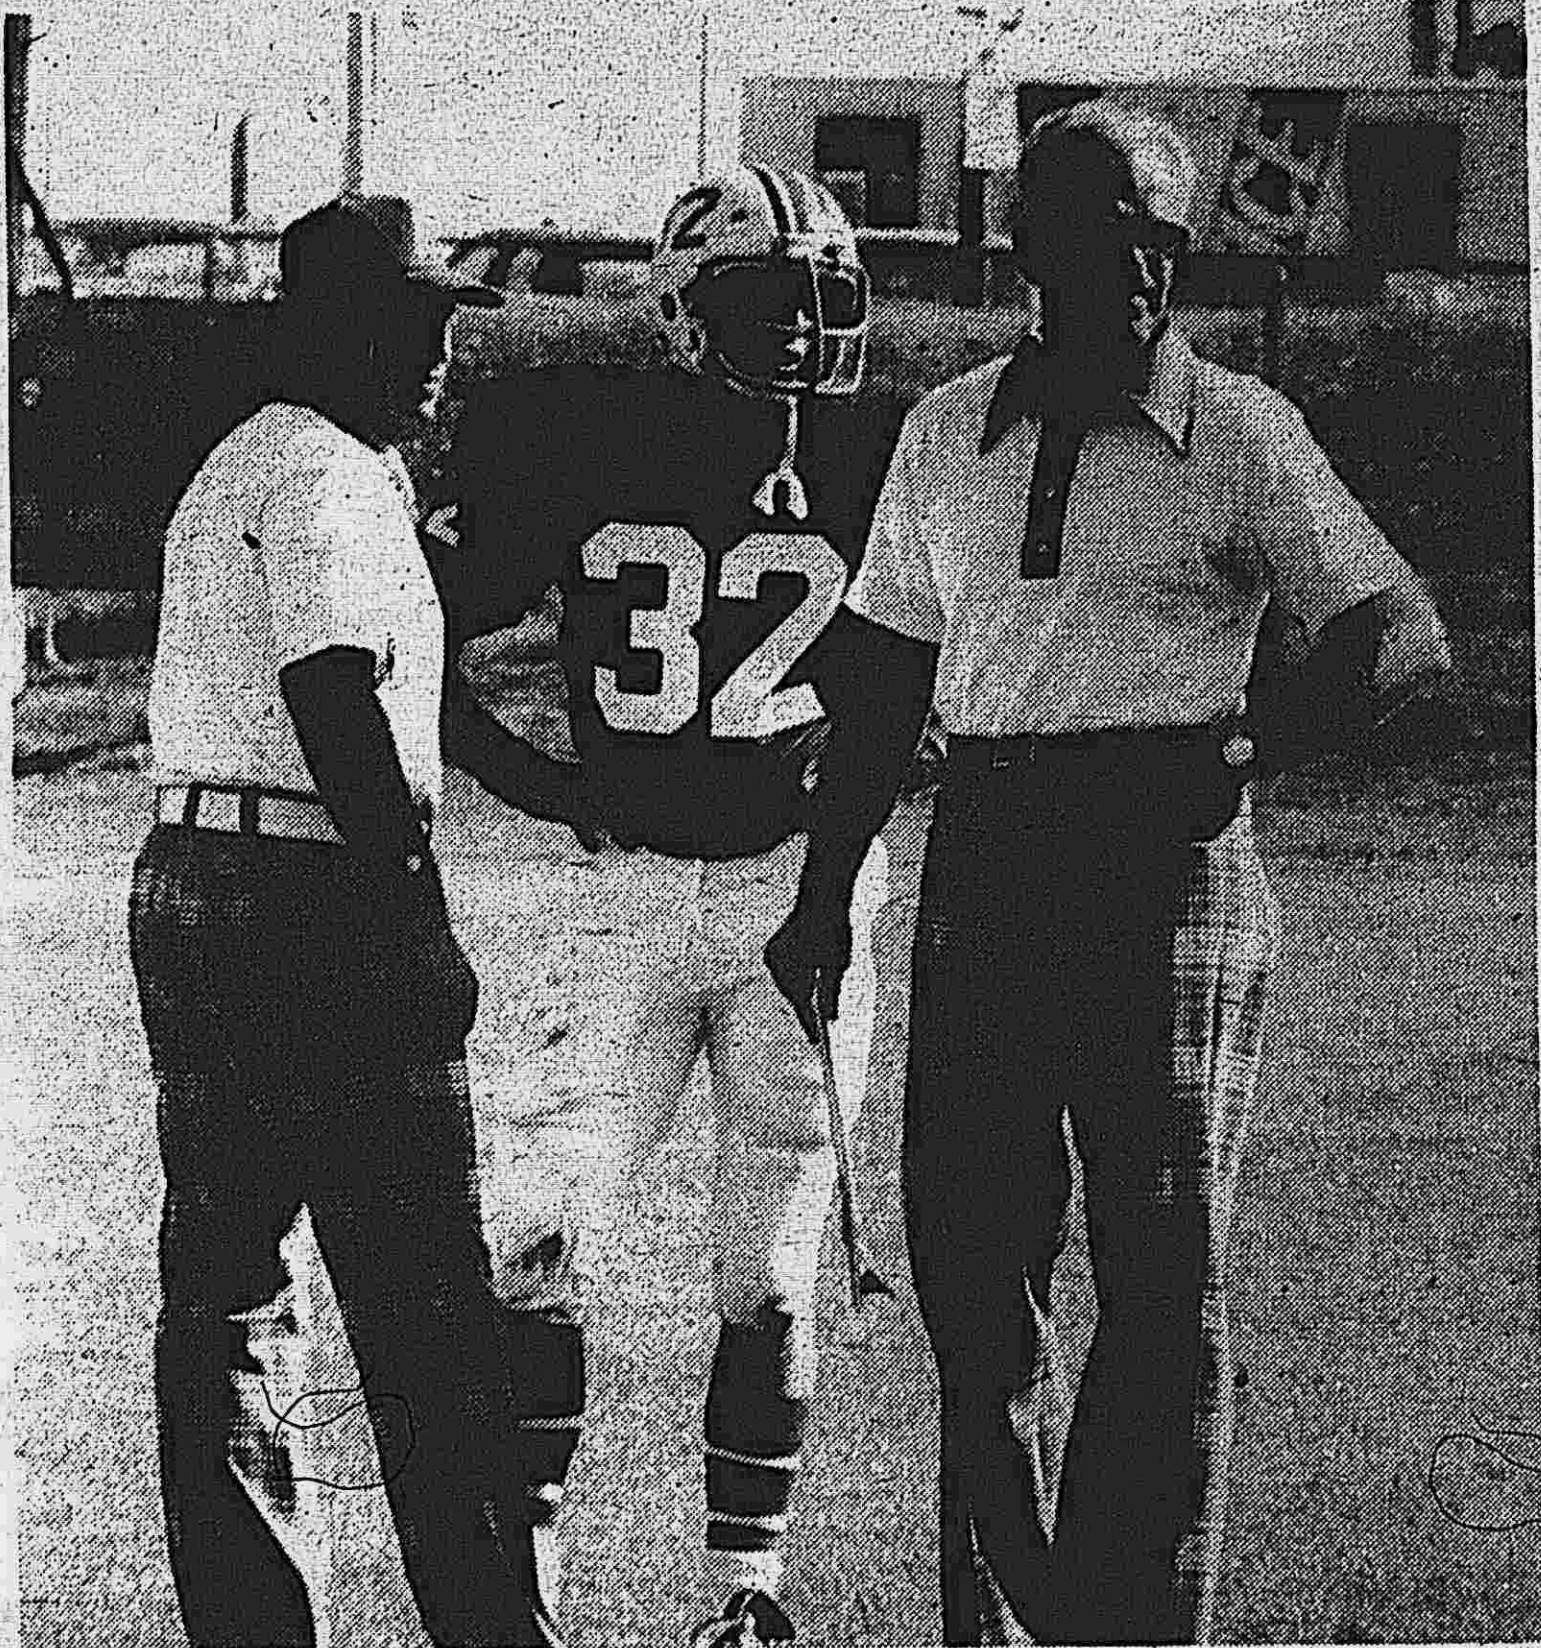

frighten the Antioch camp.

"Heck," said Coach Roy Nelson, "we've had some bad breaks, such as losing Brian, but that doesn't mean we're going to quit. We started this varsity season with 40 young men who had a great attitude and they still want to win some football games."

ANTIOCH GAVE GRANT a good battle during the first half last Friday, trailing by only 6-0. The Sequoit offense was threatening at times, but was stopped by interceptions, a fumble and penalties.

Kenn Rosenbrock turned in some more good ball-carrying, picking up 33 yards in 10 slashes at Grant's defense. Junior Gene Lehn also displayed running and pass catching ability.

Dixon completed four passes and Nauman two. Tim Huebner caught three of the passes for 36 yards. Jim Crutchfield reeled off a 35-yard punt return.

JUNIOR RUNNING BACK Greg Bodin (32) confers with assistant coach Tom Baba (left) and head coach Roy Nelson as Antioch prepares for Saturday's 2 p.m. game against Warren here. (Paul Maplethorpe photos.)

High school golfers average 35

The Antioch High School varsity golf team ended its second week of competition with three victories and no defeats.

Antioch broke the team school record of 149 by nine shots while defeating Dundee 140 to 184.

The 140 score by Antioch was an even-par team score on the par 35 front nine holes of Spring Valley Country Club.

Del Gorski and Steve Hartokolis both shot one stroke under par with 34's while Keith Rezin had a 35.

Bob Sertic and Tim Haviland each had 37's.

Antioch beat Lake Zurich, 150 to 170, at Thunderbird Country Club in Barrington with one-under-par rounds by Gorski and Rezin. Again Gorski shot an even-par 35 at Spring Valley while the team defeated Libertyville 155 to 168.

The Antioch sophomore team won two out of three of its meets last week. The sophs defeated Dundee and Lake Zurich but lost to Libertyville.

Dave Behne was the Antioch medalist against Dundee and Lake Zurich, while George Roth was low scorer against Libertyville.

Happenings

Single women with school age children are being invited to join a group offered by the Lake Villa Branch of the Family Service Agency of North Lake County, at 200 N. Milwaukee (Rte. 83).

Any woman with children - widowed, divorced or never married - is welcome to attend. The group will meet for the first of eight sessions on Monday, Oct. 3, with the final session Nov. 21. All meetings will be on Monday evenings from 7 to 9 p.m. at the agency.

Group leader will be Shirley Beckett, family therapist at the Branch. Says Mrs. Beckett, "We've decided to offer a single mother's group because of the number of women we see who are concerned about the problems of raising children alone. Many feel isolated, and the demands can be overwhelming. We hope this group will offer a place to share problems and some solutions."

For more information about registration and the group, women can call Lake Villa Family Service at 356-1944 between 9 a.m. and 5 p.m., Monday through Friday.

Why Pay More Than Necessary When You Finance Your Next Car? It's too bad, but most people do.

The reason: banks, finance companies, and most other lenders typically calculate interest in advance when you sign up for the loan. So, you pay interest on the entire amount you finance, regardless of how quickly you pay it back.

But with our revolutionary new Simple Interest Loan, interest is calculated daily and only on your outstanding balance. This means you can save significantly if you pre-pay or pay off the loan early.

Let us make your hard-earned money work harder. Ask us about our Simple Interest Loan.
